

# RAYEX REC RSR2 SERIES

## FEATURES

- Zero voltage turn-on, zero current turn-off (minimize EMI/FRI)
- Input LED indicator
- Low input power consumption, TTL and CMOS compatible
- High dv/dt and high blocking voltage

UL FILE NO. : E510886

## ORDERING INFORMATION

RSR    2    N    D    —    A    240    03    —  
 1            2            3            3-1            4            5            6            7
